Hats Off to Spring at Cedar Hill

May 31 2009

Cedar Hill Cemetery Foundation recently hosted *Hats Off to Spring at Cedar Hill* featuring Victorian Lady Kandie Carle. Using wit and humor, Ms. Carle discussed dress, life and etiquette during the Edwardian era. She also discussed the importance of hats during this era, which was followed by a hat show by The Hat Place in Hartford showing off some modern styles for today's men and women.

With audience participation, Ms. Carle dressed from the inside out...including vintage drawers, corset & authentic petticoat

At the end of the show, the audience decided which hat Ms. Carle should wear with her outfit. They chose the white feather over the straw boater
